

2018-2019 Sultana Band Boosters

Norms, Etiquette, & Best Practice Policies

As adult volunteers and participating parent members of the Sultana Band Boosters, we agree that we will adhere to the following norms during meetings, school and Booster-related events, and at off-site trips, competitions, and performances:

- Begin meetings on time whenever possible, once quorum has been reached
- Be fully present during meetings by silencing cell phones and remaining off them unless tending to Booster-related matters or urgent matters
- Stay on topic. Refrain from sidebar conversations or deviating from the agenda. Reserve other matters for Open Forum
- Be respectful in what we say and how we say it, even when some have concerns or opinions you may not share in
- Focus on the best interests and needs of the entire program and students, not individuals or small sub-groups
- When you've made a commitment you can't keep, let others and the board know as soon as possible so it does not go unattended to
- If you see a problem that others haven't noticed, bring it to someone's attention
- Be mindful of representing the Program and Sultana High School in a positive, respectable manner at all home and outside functions, performances, and competitions. Do not engage in conflict, and treat our volunteers and outside volunteers and performers respectfully.
