Dear Prospective Sponsor:

The Sultana Band Boosters is a 501(c)3 non-profit organization with the sole purpose of supporting the Sultana High School Instrumental Music Program. The Program provides the opportunity for young musicians and performers to develop and advance their musical talents by offering them a cooperative and competitive experience. The students learn the value of hard work, commitment, and dedication; develop social competencies, a positive self-identity, independence & self-reliance, and a sense of belonging; instills in them the vital life skills of teamwork, respect, responsibility and time management; and shapes students into being more 'well-rounded' and successful academically.

The expense of travel, equipment, competition fees, instruments, music, and uniforms needed to make this program a success is not provided at the levels necessary to properly maintain our growing program. Currently, the Marching Band, Color Guard and Drumline are in desperate need of a larger trailer to transport our instruments, props and uniforms to all competitions, estimated to cost \$10,000. Cuts in funding and the rising costs have put additional strains on our program and Booster organization. Despite the valiant efforts of the students and parents in the program to fundraise by having car washes, recycling drives, and snack bars to name a few, it simply is not enough to meet all the program's needs.

As a sponsor for the 2014-2015 school year, your tax-deductible donation to the Sultana Band Boosters of ANY amount will be greatly appreciated by all current and future students in the program, and will go toward the purchase of our new trailer.
